

Aeris Resources and Tritton Operations are committed to working collaboratively with the communities in the Bogan Shire Council to achieve common goals that make our community a better place to work, live and grow. As part of this work, Tritton Operations administers a small grants program for local clubs and organisations within the Bogan Shire.

Over the years we have supported an array of events and services that play an important role in the life of our community.

Who is eligible to apply?

We encourage applications from community groups and organisations that deliver outcomes for the local community, particularly in the following areas:

- Economic Development
- Youth
- Health
- Education
- Environment

Initiatives and events should:

- Incorporate community participation
- Have the aim of engaging and strengthening the community
- Offer a demonstrable benefit to the community **and/or**
- Result in a clear vision or strategy for benefitting the community in the long term
